

## Stars

Written and performed by Velasco Julia Lauren Pangilinan

Verse:

Db Eb  
it's 1 in the morning  
Db Eb  
and I'm wondering where you have gone today ?  
Db Eb  
I'm so lost without you, you deserve someone other than me

Pre – Chorus:

Bbm Ab/C  
She pulled me down and said "look at the stars  
Db Eb  
One day, you'll know you're not alone"

Until you saved my day

Chorus:

Db Eb  
the stars shine so brightly  
Db Eb  
is this how I'm supposed to be?  
Db Eb  
I, feel so free. From the shadows of the dark and raging sea(x2)

Verse 2:

You can see through me  
from the pain and negativity  
I finally see, the light at the end of the tunnel

Repeat Pre – Chorus + Chorus

Bridge:

Bbm Ab/C  
though the path maybe foggy,  
Db Eb  
"just know I'll be here, to save the day."
